- Members 13-15 may attend structured classes with a guardian.
- The pool temperature will range from 83-92 degrees. If the pool goes down for maintenance unexpectedly we do our best to call and notify regular users as quickly as possible. If you would like to be notified please leave your contact information at the pool desk and we will add your name to the list.
- There are times when there will be planned maintenance and we do our best to notify members the day before.
